*Let your kids jump in muddy puddles!  
Let them get wild with finger paints and glitter.  
Soon they'll be all grown up and see dirty clothes  
and wet shoes as nothing but a nuisance.*

**THE MUDDY PUDDLES "MESS FEST"**

**A Large Fundraising Event for Childhood Cancer in Honor of SuperTy Campbell**

Join us for a celebration of childhood as we forget about the stresses of everyday life and take some time out to let loose and get messy. The third annual Muddy Puddles "Mess Fest" honors Ty Louis Campbell, a young boy who lost his battle with brain cancer last year at the age of five. In remembrance of Ty we devote this day to letting out our inner child as we laugh, play and get messy! The event will include carnival rides, zip lines, splatter paint, pie tosses, hay rides, musical performances, food fights, muddy puddle jumping and much more.

The Muddy Puddles "Mess Fest" is a family fun event, but more importantly, it is a fundraiser for childhood cancer research through the Ty Louis Campbell Foundation. Throughout Ty's cancer treatment, he yearned for the day when he would be well enough to jump in muddy puddles again, a simple pleasure that his disease took away from him. In Ty's honor let your children come and enjoy the simple pleasures of being a kid, for those who are no longer able to.
